Certification scheme 3 according to the ČSN EN ISO/IEC 17067 including sampling and testing of product samples and factory production control assessment and surveillance by FPC assessment and testing of samples taken at the factory.

Certification Body confirms by this certificate, that:

 performances of the product samples are in compliance with requirements of the technical specification:

EN 544 ed. 2 Bitumen shingles with mineral and/or synthetic reinforcements – Product specification and test methods, art. 6.3, 6.4.1, 6.4.2, 6.4.3, 6.4.5, 6.4.6.

EN 13501-1 + A1 Fire classification of construction products and building elements – Part 1: Classification using test data from reaction to fire tests

EN 13501-1 +A1 Fire classification of construction products and building elements – Part 5: Classification using test data from external fire exposure to roof tests

factory production control complies with relevant technical documentation and ensures that products
put on the market meet the requirements given in the technical specification mentioned above.

This certificate refers to the Report of the Product Certification No. 050-019884 of June 10th, 2013 and Control Report No. 050-021213 of October 07th, 2015, issued by Technical and Test Institute of Construction Prague – branch-office Předměřice nad Labem, which has been handed over to the applicant. The report includes the conclusion of the findings and terms of validity of the certificate.

The certificate has 1 annex (1 page), that is to be considered an integral part of this certificate.

Předměřice nad Labem, 07. October 2015
